ABOUT

Teo Ladrière is a 15-year-old Belgian actor and digital creator with an international audience generating nearly **40 million organic** monthly views.

Known for his natural on-camera presence and authentic storytelling, Teo combines acting and digital creativity to produce premium campaigns for international brands.

Alongside his digital career, Teo is developing his acting craft through theatre, independent productions and international training at the New York Film Academy. His ambition is to pursue a professional career in film and television while collaborating with selected global brands.

Fluent in English and French.
